

SKI — 54 Student Research Questions

Research questionnaire reference for building questions.json

Research principle: Discover actual student behavior before presenting the SKI solution. Questions 1–43 focus on current behavior and pain points; questions 44–52 introduce the concept only after discovery.

Intro

> How Nigerian University Students Study

We're researching how university students learn, study, prepare for exams, and deal with difficult courses. There are no right or wrong answers. We're interested in your actual experience.

SECTION 1 — About You

1. What level are you currently in?

Answer type: Single choice

- 100 Level
- 200 Level
- 300 Level
- 400 Level
- 500 Level+
- Postgraduate
- Other

2. What are you studying?

Answer type: Short answer

3. What type of institution do you attend?

Answer type: Single choice

- Federal university
- State university
- Private university
- Polytechnic
- College of Education
- Other

4. How many courses are you currently taking?

Answer type: Single choice

- 1–4
- 5–7
- 8–10
- 11+

5. How would you describe your academic performance?

Answer type: Single choice

- I usually struggle
- Below average
- Average
- Above average
- I usually perform very well

SECTION 2 — How You Actually Study

6. *When you need to study for a course, what do you normally do first?*

Answer type: Single choice

- Read lecture notes/slides
- Watch YouTube videos
- Search Google
- Ask a coursemate
- Ask a lecturer
- Use ChatGPT/another AI
- Read a textbook
- Use past questions
- Attend a tutorial
- Something else

7. *What study resources do you use most often?*

Answer type: Multiple choice / select all that apply

- Lecture notes
- PDFs
- Textbooks
- YouTube
- ChatGPT/AI
- Google
- WhatsApp materials/groups
- Past questions
- Flashcards
- Physical tutorials
- Study groups
- Other

8. *Where do you usually get your study materials?*

Answer type: Multiple choice / select all that apply

- Lecturer
- Course representative
- Coursemates

- WhatsApp groups
- Telegram
- Google
- YouTube
- Online educational platforms
- Textbooks
- School portal
- Other

9. Think about the last time you encountered a topic you didn't understand. What topic was it, and what did you do?

Answer type: Long answer

10. What eventually helped you understand it?

Answer type: Long answer

11. How long did it take you to understand it?

Answer type: Single choice

- Less than 15 minutes
- 15–30 minutes
- 30–60 minutes
- 1–2 hours
- Several hours
- More than one day
- I still don't understand it

SECTION 3 — Understanding

12. What usually makes a course or topic difficult for you?

Answer type: Select up to 3

- The lecturer's explanation
- The material is too complicated
- Not enough examples
- Too much material
- I don't know where to start
- I can't visualize the concept
- I need someone to explain it differently
- I understand it initially but forget it
- I lack practice questions
- I get distracted
- I don't have enough time
- The material isn't engaging
- Other

13. When you don't understand something, what do you usually do?

Answer type: Single choice

- Search YouTube
- Ask ChatGPT/AI
- Search Google
- Ask a friend
- Ask a lecturer
- Read another textbook/PDF
- Ignore it and continue
- Come back later
- Give up on the topic
- Other

14. How often do you encounter something you understand in class but struggle to understand when studying alone?

Answer type: Single choice

- Never
- Rarely
- Sometimes
- Often
- Very often

15. What makes an explanation useful to you?

Answer type: Select up to 3

- Simple language
- Visuals/diagrams
- Real-world examples
- Step-by-step explanation
- Multiple examples
- Video
- Audio
- Practice questions
- Being able to ask questions
- Exam-style questions
- Other

16. When an explanation doesn't make sense, what do you wish you could do?

Answer type: Long answer

SECTION 4 — Remembering

17. How often do you forget something you previously understood?

Answer type: Single choice

- Almost never
- Rarely
- Sometimes
- Often
- Very often

18. What do you normally do to remember what you've studied?

Answer type: Multiple choice / select all that apply

- Re-read
- Rewrite notes
- Make flashcards
- Practice questions
- Teach someone
- Explain it to myself
- Watch another video
- Memorize
- Nothing
- Other

19. Do you normally revisit topics after studying them?

Answer type: Single choice

- Yes, regularly
- Sometimes
- Only before exams
- Rarely
- Never

20. How do you know whether you actually understand something?

Answer type: Long answer

SECTION 5 — Studying With Technology

21. How often do you use YouTube for studying?

Answer type: Single choice

- Never
- Rarely
- Sometimes
- Often
- Almost every time I study

22. What do you like about using YouTube to learn?

Answer type: Multiple choice / select all that apply

- Visual explanations
- Easier explanations

- Examples
- Ability to pause/replay
- Different teachers
- More engaging
- Free
- Other

23. What frustrates you about using YouTube for studying?

Answer type: Multiple choice / select all that apply

- Can't find the exact topic
- Videos are too long
- Too much irrelevant information
- Explanation isn't aligned with my course
- Difficult to know what to watch next
- No way to test myself
- Can't easily ask questions about the exact part I'm watching
- Internet/data consumption
- Ads/distractions
- Other

24. How often do you use AI tools such as ChatGPT for studying?

Answer type: Single choice

- Never
- Rarely
- Sometimes
- Often
- Almost every time I study

25. What do you mainly use AI for?

Answer type: Multiple choice / select all that apply

- Explaining difficult concepts
- Summarizing notes
- Solving questions
- Generating practice questions
- Creating flashcards
- Research
- Writing
- Checking answers
- Translating
- Other

26. What problems have you experienced when using AI for studying?

Answer type: Long answer

27. What do you wish AI could do better for students?

Answer type: Long answer

SECTION 6 — Focus & Study Sessions

28. How difficult is it for you to stay focused while studying?

Answer type: Single choice

- Very easy
- Easy
- Neither
- Difficult
- Very difficult

29. What usually distracts you?

Answer type: Multiple choice / select all that apply

- Phone
- Social media
- WhatsApp
- Friends
- Music
- Tiredness
- Boredom
- Difficult material
- Lack of motivation
- Noise
- Other

30. How long can you normally study before losing focus?

Answer type: Single choice

- <15 minutes
- 15–30 minutes
- 30–60 minutes
- 1–2 hours
- 2+ hours

31. What do you currently do when you lose focus?

Answer type: Long answer

SECTION 7 — Exam Preparation

32. When an exam is approaching, how do you decide what to study?

Answer type: Long answer

33. How far in advance do you normally start preparing?

Answer type: Single choice

- More than a month
- 2–4 weeks
- 1–2 weeks
- 3–7 days
- 1–2 days
- The night before
- It depends

34. What do you normally prioritize before an exam?

Answer type: Multiple choice / select all that apply

- Everything from the beginning
- Topics I don't understand
- Likely exam topics
- Past questions
- Topics the lecturer emphasized
- Easy topics first
- Whatever I have time for
- Other

35. What is the biggest problem you face when preparing for exams?

Answer type: Select up to 3

- Not enough time
- Too much material
- Don't know what to prioritize
- Don't understand some topics
- Forgetting what I studied
- Lack of practice questions
- Poor study discipline
- Anxiety/stress
- Poor materials
- Other

SECTION 8 — Priorities

36. If you could solve one major problem with studying, what would you choose?

Answer type: Long answer

37. Which THREE would improve your studying the most?

Answer type: Select THREE

- Understanding difficult topics
- Remembering what I study
- Finding good study materials

- Staying focused
- Knowing what to study
- Knowing whether I actually understand
- Preparing for exams
- Getting enough practice
- Making studying more interesting
- Managing my study time

38. If you could change ONE thing about the way you currently study, what would it be?

Answer type: Long answer

SECTION 9 — Existing Solutions

39. What apps/websites/platforms do you currently use to study?

Answer type: Long answer

40. Which one do you use the most?

Answer type: Short answer

41. What do you like about it?

Answer type: Long answer

42. What do you dislike about it?

Answer type: Long answer

43. If you stopped using it tomorrow, what would you miss most?

Answer type: Long answer

SECTION 10 — Concept Validation

> We're exploring an idea for a learning platform designed around the student's actual learning process rather than simply providing study materials.

Imagine a platform where you can learn from curriculum-based audiovisual materials, ask questions while learning, test your understanding, revisit weak areas, and receive study recommendations based on your progress.

44. Which parts of this would be useful to you?

Answer type: Multiple choice / select all that apply

- Curriculum-based learning
- Audiovisual explanations
- Asking questions while learning
- Practice questions
- Automatic testing
- Revisiting weak areas
- Personalized study recommendations
- Study/focus sessions
- Exam preparation
- None

- Other

45. Which ONE would be most valuable to you?

Answer type: Short answer

46. Which ONE would you probably not use?

Answer type: Short answer

47. What would make you trust a platform like this?

Answer type: Long answer

48. What would make you stop using it?

Answer type: Long answer

49. What would you expect a platform like this to get wrong?

Answer type: Long answer

SECTION 11 — Willingness to Try / Pay

50. If a platform solved your biggest study problem, how would you prefer to access it?

Answer type: Single choice

- Completely free
- Free with optional paid features
- Monthly subscription
- Semester subscription
- Pay per course
- I wouldn't pay for it
- Not sure

51. What would you consider a reasonable amount to pay for a useful study platform?

Answer type: Single choice

- ■0
- Under ■1,000/month
- ■1,000–■2,500/month
- ■2,500–■5,000/month
- ■5,000–■10,000/month
- More than ■10,000/month
- I don't know

52. What would have to be true for you to actually pay for it?

Answer type: Long answer

SECTION 12 — Follow-Up

53. Would you be willing to participate in a short follow-up interview?

Answer type: Single choice

- Yes

- Maybe

- No

54. If yes, leave your preferred contact.

Answer type: Optional contact
